Re: Agreement: JPA 93-77
Project: 87 MA 164 H2728 01D

Dear Mr. Patterson:

In accordance with section II.1.a of the above referenced agreement, the tentative ADOT 5 year highway construction Program for fiscal years 1995 - 1999 has been formulated to accomodate an appropriate financing program for the above referenced project. The Program conflicts slightly with the payments contemplated in the agreement.

ADOT Transportation Planning has requested that the agreement be clarified to reflect the tentative Program payments. Towards that end, the payments to the City contemplated in the Program are: on or about 1 July 1994; \$2,200,000.00, on or about 1 July 1995; \$7,000,000.00, and on or about 1 July 1996; \$2,000,000.00.

To insure our mutual concurrence on the payments contemplated by the Program and a continued meeting of the minds, please signify the concurrence of the City with this agreement clarification by signing and returning one of the duplicate originals. Questions may be directed to the undersigned at (602) 255-8369 or Mr. Dell Beasley at 255-7562.

Sincerely,

E. Jack Hammitt, CPM
Joint Project Administrator
